Tōru: Wayfarer Returns

Revolutionary young samurai with dirigibles take on Commodore Perry and his Black Ships in this alternate history steampunk technofantasy set in 1850s samurai-era Japan.

In Japan of 1852, the peace imposed by the Tokugawa Shoguns has lasted 250 years. Peace has turned to stagnation, however, as the commoners grow impoverished and their lords restless. Swords rust. Martial values decay. Foreign barbarians circle the island nation's closed borders like vultures, growing ever more demanding.

Tōru, a shipwrecked young fisherman rescued and taken to America by traders, defies the Shogun's ban on returning to Japan, determined to save his homeland from foreign invasion. Can he rouse his countrymen in time? Or will the cruel Shogun carry out his vow to execute all who set foot in Japan after traveling abroad? Armed only with his will, a few books, dirigible plans and dangerous ideas, Tōru must transform the Emperor's realm before the Black Ships come.

*FINALIST, Fantasy, 2016 Next Generation Indie Book Awards
BRONZE MEDAL, Multicultural Fiction, 2016 eLit Book Awards*

Praise for *Tōru: Wayfarer Returns*

“Cool alternative-history yarn of yester-century Nippon, a promising steampunk-energized start.” – *Kirkus Reviews*

“A terrifically vivid historical novel set in an 1852 Japan re-imagined along Steampunk lines...Sorensen's characters are memorably shaped, and her dialogue is sharp and lively, but the real highlight of this novel is its superb world-building.” – *Historical Novel Society*

“Sorensen immerses readers in a compelling and provocative story...an absorbing read.” – *BlueInk Review*

“*Tōru: Wayfarer Returns* is a fast-paced historical adventure steeped in Japanese culture.” – *IndieReader*

About Author Stephanie R. Sorensen

Stephanie is a writer based in the Victorian mining town of Leadville, Colorado. After a former life in big cities—New York City, Tokyo, Hong Kong, Mexico City, Atlanta, Los Angeles and Santa Fe, she published her debut novel *Tōru: Wayfarer Returns* in 2016. She is working on the next book in the Sakura Steam series as well as a historical novel set in 1519 Mexico.
